

## DEERFIELD COMMUNITY REDEVELOPMENT DEERFIELD BEACH, FLORIDA

The community wanted redevelopment but the “Old Florida” feel of the water-side commercial and neighborhood areas must be preserved. Combined with socio-economic data and analysis, the Master Plan achieved the community goal by proposing a low-scale, mixed use redevelopment pattern with better interconnections between areas through a new transportation “greenway spine” and better transit, bicycle and pedestrian facilities.

**Completion Date** December 1999  
**Population** 64,583 (2000 Census)  
**Contact** Planning Director  
 City of Deerfield Beach
